School Context

Giralang Primary School caters for students in grades Preschool to Year 6 within the Belconnen Network of schools. In 2018 Giralang Primary School's enrolments remained steady. The Preschool Unit provided two sessions, with 22 students accessing each session. The Primary School continued to operate with fourteen classes with an average of 20.6 students per class. The school offers a 0.5 Learning Support Centre (LSC) that is fully mainstreamed. The LSC had 7 students enrolled during 2018.

Student attendance

The following table identifies the attendance rate of students by year level during 2018. Student attendance is measured over two school terms; that is from the first day of the school year for students in term 1 to the last day of term 2.

* Attendance data for 2018 have been derived from a school administration system in the process of implementation. Care should be taken when comparing these data with data from previous years and from other jurisdictions.

Supporting attendance and managing non-attendance

All ACT public schools put into effect the education participation requirements in the *Education Act 2004* and the responsibilities of schools in relation to compulsory education. The Education Directorate's *Education Participation (Enrolment and Attendance) Policy* describes its position with regard to supporting attendance and managing non-attendance. A suite of procedures supports the implementation of the policy. Please refer to <https://www.education.act.gov.au/> for further details.

Staff Information

Teacher qualifications

All teachers at this school meet the professional requirements for teaching in an ACT public school. The ACT Teacher Quality Institute (TQI) specifies two main types of provision for teachers at different stages of their career, these are detailed below.

- **Full registration** is for teachers with experience working in a registered school in Australia or New Zealand who have been assessed as meeting the Proficient level of the Australian Professional Standards for Teachers.
- **Provisional registration** is for newly qualified teachers or teachers who do not have recent experience teaching in a school in Australia and New Zealand. Many teachers moving to Australia from another country apply for Provisional registration.

Workforce composition

Workforce composition for the year of reporting is highlighted in the following table. The data is taken from the school's verified August staffing report. For reporting purposes it incorporates all school staff including preschools, staff absent for a period of less than four consecutive weeks and staff replacing staff absent for more than four consecutive weeks. It does not include casuals and staff absent for a period of four consecutive weeks or longer.

The Education Directorate is required to report Aboriginal and Torres Strait Islander staff figures. As of June 2018, 101 Aboriginal and Torres Strait Islander staff members were employed across the Directorate.

Table: 2018 Workforce composition numbers

Staff employment category	TOTAL
Teaching Staff: Full Time Equivalent Permanent	19.10
Teaching Staff: Full Time Equivalent Temporary	0.60

Non Teaching Staff: Full Time Equivalent	6.69

School Review and Development

The ACT Education Directorate's Strategic Plan 2018-2021 provides the framework and strategic direction for School Improvement Plans (formerly School Strategic Plans). This is supported by the school performance and accountability framework, *'People, Practice and Performance: School Improvement in Canberra Public Schools, A Framework for Performance and Accountability'*. This framework has school improvement at its centre, with the National School Improvement Tool (NSIT) as its core feature, providing support to achieve high standards in student learning, innovation and best practice in ACT public schools.

Prior to 2016 all ACT public schools participated in a four-year cycle of school review and development. In the fourth year schools underwent an external validation process. In 2016 this changed to a five-year cycle with an External School Review at the end.

Our school will be reviewed in 2022. A copy of the most recent school review report can be found on our school website.

School Satisfaction

Schools use a range evidence to gain an understanding of the satisfaction levels of their parents and carers, staff and students. In August/ September of this reporting period ACT schools undertook a survey to gain an understanding of school satisfaction at that time. This information was collected from Staff, parents and students from year 5 and above (with the exception of students in special schools) through an online survey.

Overall Satisfaction

In 2018, 93% of parents and carers, 90% of staff, and 88% of students at this school indicated they were satisfied with the education provided by the school.

Included in the survey were 16 staff, 14 parent, and 12 student items which are described as the national opinion items. These items were approved by the then Standing Council on School Education and Early Childhood (SCSEEC) for use from 2015. The following tables show the percentage of parents and carers, students and staff who agreed with each of the national opinion items at this school.

A total of 31 staff responded to the survey. Please note that not all responders answered every question.

Learning and Assessment

Performance in Literacy and Numeracy

Early years assessment

Students in kindergarten undertake an on-entry assessment of their early reading and numeracy skills using the Performance Indicators in Primary Schools (PIPS) program. Student results are reported against five performance bands at the end of semester 1 and 2. Below are the results for this school.

Table: Giralang Primary School PIPS 2018 mean raw scores

Agency	Reading start	Reading end	Mathematics start	Mathematics end
School	52	141	40	56
ACT	49	124	39	54

Results are not reported when there are fewer than five students with results. This rule is applied for reasons of statistical reliability, as well as to protect the privacy of students in small schools.

The following table shows the mean scores achieved by students at this school compared to the ACT for this reporting period.
