## Reporting to the community

---

Schools report to communities in range of ways, including through:

- Annual School Board Reports
- a (5-year) School Improvement Plan (formerly School Strategic Plan)
- annual Impact Reports
- newsletters
- other sources such as My School.

## School Context

---

Curtin Primary School is located in Woden Valley and caters for students from Preschool to Year 6. Curtin Primary continues in a period of consistent growth in enrolment and serves a culturally diverse student population with over 40 languages spoken by students at the school. The school offers a modern, dynamic learning and teaching environment.

The five year School Improvement Plan will be reviewed in 2023. The three school priorities are:

All students are capable and successful writers

All students are capable and successful in number

All students display dispositions for wellbeing and learning

Curtin Primary delivers the Australian Curriculum through contemporary teaching approaches. Teachers provide individualised approaches to foster each student's academic and social development through inquiry learning. The curriculum is designed to provide opportunities for students to learn about themselves, their world and ways to interact with it as effective citizens.

Curtin Primary values its strong sense of community. The school actively seeks ways to enhance student learning and wellbeing by partnering with parents and families, local businesses and community organisations. Parents and families are recognised as integral members of the school community and partners in their children's education.

The information below provides an overview of additional school information. Further information may be obtained by visiting the school website.

## Student Information

### *Student enrolment*

In this reporting period there were a total of 479 students enrolled at this school.

**Table: Student enrolment**

Student type	Number of students
Gender - Male	268
Gender - Female	211

Gender - Non-binary or other*	0
Aboriginal and Torres Strait Islander	13
LBOTE**	143

\* If the number of non-binary students is less than six, or if gender is unknown, these are randomly assigned 'Male' or 'Female' and included in the counts.

\*\* Language Background Other Than English

## Student attendance

The following table identifies the attendance rate of students by year level during this reporting period. Student attendance rate is the percentage of school days attended by students in each year level at the school. Student attendance is measured over two school terms; that is from the first day of the school year for students in term 1 to the last day of term 2.

\*NOTE: Student attendance data for this period should be understood within the context of flexible learning arrangements enacted in response to COVID19. Comparison of attendance figures to previous reporting periods is not valid.

**Table: Attendance rates in percentages**

Year level	Attendance rate
1	93.0
2	94.0
3	94.0
4	93.0
5	92.0
6	93.0

## Supporting attendance and managing non-attendance

ACT public schools support parents and carers to meet their legal responsibilities in relation to the compulsory education requirements of the *Education Act 2004*. The Education Directorate's *Education Participation (Enrolment and Attendance) Policy* describes its position with regard to supporting attendance and managing non-attendance. A suite of procedures supports the implementation of the policy. Please refer to <https://www.education.act.gov.au/> for further details.

## Staff Information

### Teacher qualifications

All teachers at this school meet the professional requirements for teaching in an ACT public school. The ACT Teacher Quality Institute (TQI) specifies two main types of provision for teachers at different stages of their career, these are detailed below.

- **Full registration** is for teachers with experience working in a registered school in Australia or New Zealand who have been assessed as meeting the Proficient level of the Australian Professional Standards for Teachers.
- **Provisional registration** is for newly qualified teachers or teachers who do not have recent experience teaching in a school in Australia and New Zealand. Many teachers moving to Australia from another country apply for Provisional registration.

### Workforce composition

Workforce composition for the current reporting period is provided in the following table. The data is taken from the school's verified August staffing report. For reporting purposes, it incorporates all school staff including preschools, staff absent for a period of less than four consecutive weeks and staff replacing staff absent for more than four consecutive weeks. It does not include casuals and staff absent for a period of four consecutive weeks or longer.

The Education Directorate is required to report Aboriginal and Torres Strait Islander staff figures. As of June of the reporting period, 135 Aboriginal and/or Torres Strait Islander staff members were employed across the Directorate.

**Table: Workforce composition numbers**

Staff employment category	TOTAL
Teaching Staff: Full Time Equivalent Permanent	28.65
Teaching Staff: Full Time Equivalent Temporary	4.60
Non Teaching Staff: Full Time Equivalent	14.19

## School Review and Development

The ACT Education Directorate's Strategic Plan 2018-2021 provides the framework and strategic direction for School Improvement Plans (formerly School Strategic Plans). This is supported by the school performance and accountability framework '*People, Practice and Performance: School Improvement in Canberra Public Schools, A Framework for Performance and Accountability*'. Annually, system and school level data are used alongside the National School Improvement Tool to support targeted school improvement, high standards in student learning, innovation and best practice in ACT public schools.

Our school will be reviewed in 2023.

### School Satisfaction

Schools use a range of evidence to gain an understanding of the satisfaction levels of their parents and carers, staff and students. Annually in August/ September ACT schools undertake a survey to gain an understanding of school satisfaction at that time. This information is collected from staff, parents and from 2020 students from year 4 and above (previously year 5 and above) through an online survey.

### Overall Satisfaction

In this period of reporting, 86.8% of parents and carers, 94.4% of staff, and 82.3% of students at this school indicated they were satisfied with the education provided by the school.

Included in the survey were 8 staff, 9 parent, and 10 student items which are described as the national opinion items. These items were approved by the then Standing Council on School Education and Early Childhood (SCSEEC) for use from 2015. The following tables show the percentage of parents and carers, students and staff who agreed with each of the national opinion items at this school.

Due to the impacts of the COVID-19 pandemic, the survey was taken in November, rather than in August as has been done in previous years. This was just after the majority of students and staff returned to school-based learning after a period of around 3 months of remote learning. A number of questions were removed from previous years to shorten the time required by community members to complete the survey.

A total of 36 staff responded to the survey. Please note that not all responders answered every question.

## Learning and Assessment

### Performance in Literacy and Numeracy

#### Early years assessment

Students in kindergarten undertake an on-entry and on-exit assessment of their early reading and numeracy skills using the BASE program. Student results are reported against five performance bands at the end of semester 1 and 2. Below are the results for this school for the current reporting period.

**Table: Curtin Primary School BASE 2021 mean raw scores**

Agency	Reading start	Reading end	Numeracy start	Numeracy end
--------	---------------	-------------	----------------	--------------

<b>School</b>	69	142	40	58
<b>ACT</b>	58	125	38	56

## NAPLAN

Students in years 3, 5, 7 and 9 in all ACT schools participate in the National Assessment Program-Literacy and Numeracy (NAPLAN). This program assesses skills in reading, writing, spelling, grammar and punctuation, and numeracy.

In this reporting period, 1.25 % of year 3 students and 1.41 % of year 5 students were exempt from testing based on nationally agreed criteria.

For reasons of statistical reliability, as well as to protect the privacy of students, results are not reported when the sample size is less than five.

The following table shows the mean scores achieved by students at this school compared to all other ACT public schools for this reporting period.

**Table: NAPLAN Mean Scores**

Test Domain	Year 3 School	Year 3 ACT	Year 5 School	Year 5 ACT
Reading	480	437	546	515
Writing	440	418	496	475
Spelling	417	409	533	502
Grammar & Punctuation	462	426	538	497
Numeracy	418	404	522	492

## Financial Summary

The school has provided the Directorate with an end of year financial statement that was approved by the school board. Further details concerning the statement can be obtained by contacting the school. The following summary covers use of funds for operating costs and does not include expenditure in areas such as permanent salaries, buildings and major maintenance.
