- Annual School Board Reports
- a (5-year) School Improvement Plan (formerly School Strategic Plan)
- annual Impact Reports
- newsletters
- other sources such as My School.

## School Context

---

Ngunnawal Primary School is an inclusive and supportive school that caters and differentiates for the needs of all students. The school opened in 1997 and has a current enrolment of approximately 700 students from Preschool to Year 6. The Australian Curriculum is implemented from Kindergarten to Year 6 across all learning areas. High quality instruction from classroom teachers, along with intensive short-term support for students when required, provides the platform for successful student outcomes.

Ngunnawal Primary School prides itself on high expectations for all students within a supportive environment. We believe that early success in learning helps to build strong student engagement and a positive attitude to learning. We celebrate student achievements and value building self-esteem and confidence in our students.

Ngunnawal Preschool is located on site and is accessible from the Primary School. We operate a 15 hour a week Preschool program including Koori Preschool. The Ngunnawal Preschool program provides the foundation for successful early childhood learning and we value a rich variety of learning experiences for all our students.

## Supporting attendance and managing non-attendance

ACT public schools support parents and careers to meet their legal responsibilities in relation to the compulsory education requirements of the *Education Act 2004*. The Education Directorate's *Education Participation (Enrolment and Attendance) Policy* describes its position with regard to supporting attendance and managing non-attendance. A suite of procedures supports the implementation of the policy. Please refer to <https://www.education.act.gov.au/> for further details.

## Staff Information

### Teacher qualifications

All teachers at this school meet the professional requirements for teaching in an ACT public school. The ACT Teacher Quality Institute (TQI) specifies two main types of provision for teachers at different stages of their career, these are detailed below.

- **Full registration** is for teachers with experience working in a registered school in Australia or New Zealand who have been assessed as meeting the Proficient level of the Australian Professional Standards for Teachers.
- **Provisional registration** is for newly qualified teachers or teachers who do not have recent experience teaching in a school in Australia and New Zealand. Many teachers moving to Australia from another country apply for Provisional registration.

### Workforce composition

Workforce composition for the current reporting period is provided in the following table. The data is taken from the school's verified August staffing report. For reporting purposes, it incorporates all school staff including preschools, staff absent for a period of less than four consecutive weeks and

staff replacing staff absent for more than four consecutive weeks. It does not include casuals and staff absent for a period of four consecutive weeks or longer.

The Education Directorate is required to report Aboriginal and Torres Strait Islander staff figures. As of June of the reporting period, 119 Aboriginal and/or Torres Strait Islander staff members were employed across the Directorate.

## School Review and Development

---

The ACT Education Directorate's Strategic Plan 2018-2021 provides the framework and strategic direction for School Improvement Plans (formerly School Strategic Plans). This is supported by the school performance and accountability framework '*People, Practice and Performance: School Improvement in Canberra Public Schools, A Framework for Performance and Accountability*'. Annually, system and school level data are used alongside the National School Improvement Tool to support targeted school improvement, high standards in student learning, innovation and best practice in ACT public schools.

Prior to 2016 all ACT public schools participated in a four-year improvement cycle. In the fourth year schools underwent an external Validation process. In 2016 this changed to a five-year cycle with a School Review at the end.

Our school will be reviewed in 2022. A copy of the most recent Validation Report can be found on our school website.

## School Satisfaction

Schools use a range evidence to gain an understanding of the satisfaction levels of their parents and carers, staff and students. Annually in August/ September ACT schools undertake a survey to gain an understanding of school satisfaction at that time. This information is collected from staff, parents and students from year 5 and above through an online survey.

## Overall Satisfaction

In this period of reporting, 84% of parents and carers, 86% of staff, and 68% of students at this school indicated they were satisfied with the education provided by the school.

Included in the survey were 16 staff, 14 parent, and 12 student items which are described as the national opinion items. These items were approved by the then Standing Council on School Education and Early Childhood (SCSEEC) for use from 2015. The following tables show the

percentage of parents and carers, students and staff who agreed with each of the national opinion items at this school.

A total of 55 staff responded to the survey. Please note that not all responders answered every question.

## Learning and Assessment

### Performance in Literacy and Numeracy

#### *Early years assessment*

Students in kindergarten undertake an on-entry and on-exit assessment of their early reading and numeracy skills using the Performance Indicators in Primary Schools (PIPS) program. Student results are reported against five performance bands at the end of semester 1 and 2. Below are the results for this school for the current reporting period.

**Table: Ngunnawal Primary School PIPS 2019 mean raw scores**

Agency	Reading start	Reading end	Mathematics start	Mathematics end
School	45	102	37	51
ACT	49	123	39	55

## NAPLAN

Students in years 3, 5, 7 and 9 in all ACT schools participate in the National Assessment Program-Literacy and Numeracy (NAPLAN). This program assesses skills in reading, writing, spelling, grammar and punctuation, and numeracy.

In this reporting period, 0.00 % of year 3 students and 1.60 % of year 5 students were exempt from testing based on nationally agreed criteria.

For reasons of statistical reliability, as well as to protect the privacy of students, results are not reported when the sample size is less than five.

The following table shows the mean scores achieved by students at this school compared to all other ACT public schools for this reporting period.

**Table: NAPLAN Mean Scores**
