## Reporting to the community

---

Schools report to communities in range of ways, including through:

- Annual School Board Reports
- a (5-year) School Improvement Plan (formerly School Strategic Plan)
- annual Impact Reports
- newsletters
- other sources such as My School.

## School Context

---

2020 is Neville Bonner Primary School's eighth year of operation, having opened as a new school in 2013. The school's enrolment during 2020 reached approximately 896 students (August Census), comprising preschool to Year 6. Our school enjoys a culturally diverse population. Approximately forty nine percent of the students speak English as their second, third or fourth language. Our student body speaks close to 70 different languages.

The school services the suburbs of Bonner and Forde. Throughout the year, there are significant numbers of new enrolments. Additionally, a considerable proportion of families move in and out of the suburbs each year.

The school's staffing profile includes a large number of teachers in their early years of teaching. Their enthusiasm for both teaching and the nurturing of the well-being of the children is a marked asset for the school. The physical environment of the school continues to grow, with 2020 seeing the completion of a new permanent contemporary building, providing six new adaptable learning spaces and adaptable studios to assist in meeting the demand of the increasing enrolments of the school.

Creating a strong sense of connectedness and belonging for all students within our diverse community continues to be an important feature of the school's work.

### *Student attendance*

Due to the effects of the COVID-19 pandemic, 2020 attendance data has not been published in the Annual School Board Report.

## Supporting attendance and managing non-attendance

ACT public schools support parents and careers to meet their legal responsibilities in relation to the compulsory education requirements of the *Education Act 2004*. The Education Directorate's *Education Participation (Enrolment and Attendance) Policy* describes its position with regard to supporting attendance and managing non-attendance. A suite of procedures supports the implementation of the policy. Please refer to <https://www.education.act.gov.au/> for further details.

## Staff Information

### *Teacher qualifications*

All teachers at this school meet the professional requirements for teaching in an ACT public school. The ACT Teacher Quality Institute (TQI) specifies two main types of provision for teachers at different stages of their career, these are detailed below.

- **Full registration** is for teachers with experience working in a registered school in Australia or New Zealand who have been assessed as meeting the Proficient level of the Australian Professional Standards for Teachers.
- **Provisional registration** is for newly qualified teachers or teachers who do not have recent experience teaching in a school in Australia and New Zealand. Many teachers moving to Australia from another country apply for Provisional registration.

### *Workforce composition*

Workforce composition for the current reporting period is provided in the following table. The data is taken from the school's verified August staffing report. For reporting purposes, it incorporates all school staff including preschools, staff absent for a period of less than four consecutive weeks and staff replacing staff absent for more than four consecutive weeks. It does not include casuals and staff absent for a period of four consecutive weeks or longer.

The Education Directorate is required to report Aboriginal and Torres Strait Islander staff figures. As of June of the reporting period, 135 Aboriginal and Torres Strait Islander staff members were employed across the Directorate.

**Table: Workforce composition numbers**

Staff employment category	TOTAL
Teaching Staff: Full Time Equivalent Permanent	42.58
Teaching Staff: Full Time Equivalent Temporary	7.05
Non Teaching Staff: Full Time Equivalent	24.41

## School Review and Development

---

The ACT Education Directorate's Strategic Plan 2018-2021 provides the framework and strategic direction for School Improvement Plans (formerly School Strategic Plans). This is supported by the school performance and accountability framework '*People, Practice and Performance: School Improvement in Canberra Public Schools, A Framework for Performance and Accountability*'. Annually, system and school level data are used alongside the National School Improvement Tool to support targeted school improvement, high standards in student learning, innovation and best practice in ACT public schools.

Our school was reviewed in 2018. A copy of the Report of Review can be found on our school website.

## School Satisfaction

Schools use a range of evidence to gain an understanding of the satisfaction levels of their parents and carers, staff and students. Annually in August/ September ACT schools undertake a survey to gain an understanding of school satisfaction at that time. This information is collected from staff, parents and from 2020 students from year 4 and above (previously year 5 and above) through an online survey.

## Overall Satisfaction

In this period of reporting, 75% of parents and carers, 59% of staff, and 69% of students at this school indicated they were satisfied with the education provided by the school.

Included in the survey were 16 staff, 14 parent, and 12 student items which are described as the national opinion items. These items were approved by the then Standing Council on School Education and Early Childhood (SCSEEC) for use from 2015. The following tables show the percentage of parents and carers, students and staff who agreed with each of the national opinion items at this school.

Note: The overall response rate for parents and carers in ACT public schools was negatively impacted by COVID-19, dropping from 31% in 2019 to 23% in 2020.

A total of 41 staff responded to the survey. Please note that not all responders answered every question.

## Learning and Assessment

---

### Performance in Literacy and Numeracy

#### *Early years assessment*

Students in kindergarten undertake an on-entry and on-exit assessment of their early reading and numeracy skills using the BASE program. Student results are reported against five performance bands at the end of semester 1 and 2. Below are the results for this school for the current reporting period.

Due to the impact of COVID-19, analysis of BASE data for 2020 has been delayed. Analysis will be provided to schools in 2021. Please speak with the school should you require further information.

#### *NAPLAN*

Students in years 3, 5, 7 and 9 in all ACT schools participate in the National Assessment Program-Literacy and Numeracy (NAPLAN). This program assesses skills in reading, writing, spelling, grammar and punctuation, and numeracy.

\*Note: There are no NAPLAN results for 2020, with the assessments not being conducted due to the impacts of COVID-19.
