School Context

Turner School is located on Ngunnawal Country. Turner School opened in 1953 and is one of Canberra's oldest schools. While respecting the many traditions and practices established over these 60 plus years, Turner School continues to embrace educational change.

Turner School has approximately 500 students enrolled across the school, from the preschool programs where children begin their school journey through to year 6 students who are ready to transition to secondary schooling. Inclusive classrooms, learning experiences and playgrounds are a feature of our school and our dedicated and highly skilled staff team work together to meet the needs of all our students. We do this through fostering our Turner Learner Profile which highlights the characteristics and dispositions needed to become active and informed citizens who are confident and creative learners equipped for our rapidly changing world.

Student attendance

Due to the effects of the COVID-19 pandemic, 2020 attendance data has not been published in the Annual School Board Report.

Supporting attendance and managing non-attendance

ACT public schools support parents and careers to meet their legal responsibilities in relation to the compulsory education requirements of the *Education Act 2004*. The Education Directorate's *Education Participation (Enrolment and Attendance) Policy* describes its position with regard to supporting attendance and managing non-attendance. A suite of procedures supports the implementation of the policy. Please refer to <https://www.education.act.gov.au/> for further details.

Staff Information

Teacher qualifications

All teachers at this school meet the professional requirements for teaching in an ACT public school. The ACT Teacher Quality Institute (TQI) specifies two main types of provision for teachers at different stages of their career, these are detailed below.

- **Full registration** is for teachers with experience working in a registered school in Australia or New Zealand who have been assessed as meeting the Proficient level of the Australian Professional Standards for Teachers.
- **Provisional registration** is for newly qualified teachers or teachers who do not have recent experience teaching in a school in Australia and New Zealand. Many teachers moving to Australia from another country apply for Provisional registration.

Workforce composition

Workforce composition for the current reporting period is provided in the following table. The data is taken from the school's verified August staffing report. For reporting purposes, it incorporates all school staff including preschools, staff absent for a period of less than four consecutive weeks and staff replacing staff absent for more than four consecutive weeks. It does not include casuals and staff absent for a period of four consecutive weeks or longer.

The Education Directorate is required to report Aboriginal and Torres Strait Islander staff figures. As of June of the reporting period, 135 Aboriginal and Torres Strait Islander staff members were employed across the Directorate.

School Review and Development

The ACT Education Directorate's Strategic Plan 2018-2021 provides the framework and strategic direction for School Improvement Plans (formerly School Strategic Plans). This is supported by the school performance and accountability framework '*People, Practice and Performance: School Improvement in Canberra Public Schools, A Framework for Performance and Accountability*'. Annually, system and school level data are used alongside the National School Improvement Tool to support targeted school improvement, high standards in student learning, innovation and best practice in ACT public schools.

Our school will be reviewed in 2021.

School Satisfaction

Schools use a range evidence to gain an understanding of the satisfaction levels of their parents and carers, staff and students. Annually in August/ September ACT schools undertake a survey to gain an understanding of school satisfaction at that time. This information is collected from staff, parents and from 2020 students from year 4 and above (previously year 5 and above) through an online survey.

Overall Satisfaction

In this period of reporting, 82% of parents and carers, 87% of staff, and 92% of students at this school indicated they were satisfied with the education provided by the school.

Included in the survey were 16 staff, 14 parent, and 12 student items which are described as the national opinion items. These items were approved by the then Standing Council on School Education and Early Childhood (SCSEEC) for use from 2015. The following tables show the percentage of parents and carers, students and staff who agreed with each of the national opinion items at this school.

Note: The overall response rate for parents and carers in ACT public schools was negatively impacted by COVID-19, dropping from 31% in 2019 to 23% in 2020.

A total of 54 staff responded to the survey. Please note that not all responders answered every question.

Learning and Assessment

Performance in Literacy and Numeracy

Early years assessment

Students in kindergarten undertake an on-entry and on-exit assessment of their early reading and numeracy skills using the BASE program. Student results are reported against five performance bands at the end of semester 1 and 2. Below are the results for this school for the current reporting period.

Due to the impact of COVID-19, analysis of BASE data for 2020 has been delayed. Analysis will be provided to schools in 2021. Please speak with the school should you require further information.

NAPLAN

Students in years 3, 5, 7 and 9 in all ACT schools participate in the National Assessment Program-Literacy and Numeracy (NAPLAN). This program assesses skills in reading, writing, spelling, grammar and punctuation, and numeracy.

*Note: There are no NAPLAN results for 2020, with the assessments not being conducted due to the impacts of COVID-19.
