Reporting to the community

Schools report to communities in range of ways, including through:

- Annual School Board Reports
- a (5-year) School Improvement Plan (formerly School Strategic Plan)
- annual Impact Reports
- newsletters
- other sources such as My School.

School Context

We are a school community which is committed to social justice and to ensuring that every child and young person can reach their potential and become thriving, engaged members of the community. Our school values are **Aspire, Achieve, Connect** and **Respect** and these values form the basis of our expectations, behaviours and actions at Campbell High School.

Our students excel in many fields and we strive to offer opportunities that allow every child to shine, represent the school and feel a deep sense of pride in their achievements. We are very lucky to have families and other members of our community who are active participants in the life of our school, and to have a highly professional and dedicated teacher and support staff team working in our school. This combination means that our students have access to a fulsome range of curricula and extra curricula activities which meet their learning needs and interests, supporting them to develop as members of a true community.

Supporting attendance and managing non-attendance

ACT public schools support parents and careers to meet their legal responsibilities in relation to the compulsory education requirements of the *Education Act 2004*. The Education Directorate's *Education Participation (Enrolment and Attendance) Policy* describes its position with regard to supporting attendance and managing non-attendance. A suite of procedures supports the implementation of the policy. Please refer to <https://www.education.act.gov.au/> for further details.

Staff Information

Teacher qualifications

All teachers at this school meet the professional requirements for teaching in an ACT public school. The ACT Teacher Quality Institute (TQI) specifies two main types of provision for teachers at different stages of their career, these are detailed below.

- **Full registration** is for teachers with experience working in a registered school in Australia or New Zealand who have been assessed as meeting the Proficient level of the Australian Professional Standards for Teachers.
- **Provisional registration** is for newly qualified teachers or teachers who do not have recent experience teaching in a school in Australia and New Zealand. Many teachers moving to Australia from another country apply for Provisional registration.

School Review and Development

The ACT Education Directorate's Strategic Plan 2018-2021 provides the framework and strategic direction for School Improvement Plans (formerly School Strategic Plans). This is supported by the school performance and accountability framework '*People, Practice and Performance: School Improvement in Canberra Public Schools, A Framework for Performance and Accountability*'. Annually, system and school level data are used alongside the National School Improvement Tool to support targeted school improvement, high standards in student learning, innovation and best practice in ACT public schools.

Prior to 2016 all ACT public schools participated in a four-year improvement cycle. In the fourth year schools underwent an external Validation process. In 2016 this changed to a five-year cycle with a School Review at the end.

Our school was reviewed in 2019. A copy of the Report of Review can be found on our school website.

School Satisfaction

Schools use a range evidence to gain an understanding of the satisfaction levels of their parents and carers, staff and students. Annually in August/ September ACT schools undertake a survey to gain an understanding of school satisfaction at that time. This information is collected from staff, parents and students from year 5 and above through an online survey.

Overall Satisfaction

In this period of reporting, 84% of parents and carers, 84% of staff, and 72% of students at this school indicated they were satisfied with the education provided by the school.

Included in the survey were 16 staff, 14 parent, and 12 student items which are described as the national opinion items. These items were approved by the then Standing Council on School Education and Early Childhood (SCSEEC) for use from 2015. The following tables show the percentage of parents and carers, students and staff who agreed with each of the national opinion items at this school.

Learning and Assessment

NAPLAN

Students in years 3, 5, 7 and 9 in all ACT schools participate in the National Assessment Program-Literacy and Numeracy (NAPLAN). This program assesses skills in reading, writing, spelling, grammar and punctuation, and numeracy.

In this reporting period, 0.50 % of year 7 students and 0.50 % of year 9 students were exempt from testing based on nationally agreed criteria.

For reasons of statistical reliability, as well as to protect the privacy of students, results are not reported when the sample size is less than five.

The following table shows the mean scores achieved by students at this school compared to all other ACT public schools for this reporting period.
