Reporting to the community

Schools report to communities in range of ways, including through:

- Annual School Board Reports
- a (5-year) School Improvement Plan (formerly School Strategic Plan)
- annual Impact Reports
- newsletters
- other sources such as My School.

School Context

Margaret Hendry School is the ACT's newest public school, opening at the beginning of 2019 in the suburb of Taylor. The priority enrolment area for Margaret Hendry School includes the suburbs of Taylor, Moncrieff and Casey. The school opened with 243 children at the beginning of 2019 and closed at the end of the year with 330 children. The school is an innovative learning environment, focussing on collaborative practice for children and staff. Children are part of a multiage/multistage learning neighbourhood within a larger community. Our school community is made up of nearly 70 different cultures and countries of origin. We are diverse yet connected and focus our learning around the four pillars of Grow, Collaborate, Connect and Love.

Supporting attendance and managing non-attendance

ACT public schools support parents and carers to meet their legal responsibilities in relation to the compulsory education requirements of the *Education Act 2004*. The Education Directorate's *Education Participation (Enrolment and Attendance) Policy* describes its position with regard to supporting attendance and managing non-attendance. A suite of procedures supports the implementation of the policy. Please refer to <https://www.education.act.gov.au/> for further details.

Staff Information

Teacher qualifications

All teachers at this school meet the professional requirements for teaching in an ACT public school. The ACT Teacher Quality Institute (TQI) specifies two main types of provision for teachers at different stages of their career, these are detailed below.

- **Full registration** is for teachers with experience working in a registered school in Australia or New Zealand, who have been assessed as meeting the Proficient level of the Australian Professional Standards for Teachers.
- **Provisional registration** is for teachers (including newly qualified teachers) who do not have recent experience teaching in a school in Australia and New Zealand. Many teachers moving to Australia from another country apply for Provisional registration.

Workforce composition

Workforce composition for the current reporting period is provided in the following table. The data is taken from the school's verified August staffing report. For reporting purposes, it incorporates all school staff including preschool, staff absent for a period of less than four consecutive weeks and staff replacing staff absent for more than four consecutive weeks. It does not include casuals and staff absent for a period of four consecutive weeks or longer.

The Education Directorate is required to report Aboriginal and Torres Strait Islander staff figures. As of June of the reporting period, 119 Aboriginal and/or Torres Strait Islander staff members were employed across the Directorate.

School Review and Development

The ACT Education Directorate's Strategic Plan 2018-2021 provides the framework and strategic direction for School Improvement Plans (formerly School Strategic Plans). This is supported by the school performance and accountability framework '*People, Practice and Performance: School Improvement in Canberra Public Schools, A Framework for Performance and Accountability*'. Annually, system and school level data are used alongside the National School Improvement Tool to support targeted school improvement, high standards in student learning, innovation and best practice in ACT public schools.

Prior to 2016, all ACT public schools participated in a four-year improvement cycle. In the fourth year schools underwent an external validation process. In 2016 this changed to a five-year cycle with a School Review at the end.

Margaret Hendry School currently has a two year Establishment Plan. A review will be undertaken during 2021 which will provide feedback for the development of the first five year strategic plan.

School Satisfaction

Schools use a range evidence to gain an understanding of the satisfaction levels of their parents and carers, staff and students. Annually in August/ September ACT schools undertake a survey to gain an understanding of school satisfaction at that time. This information is collected from staff, parents and students from year 5 and above through an online survey.

Overall Satisfaction

In this period of reporting, 91% of parents and carers, 80% of staff, and 66% of students at this school indicated they were satisfied with the education provided by the school.

Included in the survey were 16 staff, 14 parent, and 12 student items which are described as the national opinion items. These items were approved by the then Standing Council on School Education and Early Childhood (SCSEEC) for use from 2015. The following tables show the percentage of parents and carers, students and staff who agreed with each of the national opinion items at this school.

A total of 25 staff responded to the survey. Please note that not all responders answered every question.

In this reporting period, no students were exempt from testing based on nationally agreed criteria.

For reasons of statistical reliability, as well as to protect the privacy of students, results are not reported when the sample size is less than five.

The following table shows the mean scores achieved by students at this school compared to all other ACT public schools for this reporting period.
