## Reporting to the community

---

Schools report to communities in range of ways, including through:

- Annual School Board Reports
- a (5-year) School Improvement Plan (formerly School Strategic Plan)
- annual Impact Reports
- newsletters
- other sources such as My School

## School Context

---

Macgregor Primary School has strong infrastructure to support 'Professional Learning Community' activities. Situated in the West Belconnen region of Canberra, and at the heart of the expanding Macgregor suburb and the new Ginninderry Land Development, our school includes a preschool campus for four year old children and a primary campus for children aged between five and twelve. With a current enrolment of 605 students across two campuses, our teachers know each of our families and work together to achieve the best outcomes for our students. In 2019, Ginninderry became a shared enrolment area to both Macgregor Primary School and another local public school. In the coming years, it will be important to maintain the development of high quality relationships within the positive school culture as the student population continues to grow.

Our school and classroom programs are designed to support both those students requiring extension and those students who require additional support to improve outcomes. Our student cohort includes a growing population of students with a language background other than English and three integrated Learning Support Centres that support students with specific learning need.

Macgregor Primary School has embarked upon an ambitious school improvement journey to maximise learning outcomes. To achieve this we focus on quality teaching and high expectations in every classroom with effective targeted intervention where additional support is required. During 2019, changes within the school's leadership team, the introduction of experienced teachers as team coordinators, as well as establishing shared understandings with stakeholders, provided a renewed focus on collaboration opportunities across our school community. Joint initiatives to actively develop our school community, culture and climate, and positively impact school pride and spirit, were successfully implemented.

Teachers work collaboratively at Macgregor Primary School to ensure a systematic curriculum is delivered to all students. Student progress is closely monitored and Macgregor has embedded the strategic use of contemporary pedagogy to ensure explicit and systematic teaching. We are dedicated to providing our students with the highest quality education. In 2019, our students actively represented Macgregor Primary School in sporting, leadership and Arts pursuits. Student wellbeing is addressed through a focus on developing quality relationships, the teaching of social and emotional skills, and Positive Behaviour for Learning processes, on a whole school level.

Demonstrating commitment to valuing a shared language and shared expectations, ensures we are developing responsible learners who are both socially and emotionally capable.

## Student Information

### *Student enrolment*

In this reporting period there were a total of 518 students enrolled at this school.

**Table: Student enrolment**

Student type	Number of students
Male	257
Female	261
Aboriginal and Torres Strait Islander	28
LBOTE*	174

\*Language Background Other Than English

### *Student attendance*

The following table identifies the attendance rate of students by year level during this reporting period. Student attendance rate is the percentage of school days attended by students in each year level at the school. Student attendance is measured over two school terms; that is from the first day of the school year for students in term 1 to the last day of term 2.

**Table: Attendance rates in percentages**

Year level	Attendance rate
1	90.0
2	92.0
3	92.0
4	91.0
5	90.0
6	90.0

## Supporting attendance and managing non-attendance

ACT public schools support parents and careers to meet their legal responsibilities in relation to the compulsory education requirements of the *Education Act 2004*. The Education Directorate's *Education Participation (Enrolment and Attendance) Policy* describes its position with regard to supporting attendance and managing non-attendance. A suite of procedures supports the implementation of the policy. Please refer to <https://www.education.act.gov.au/> for further details.

## Staff Information

### *Teacher qualifications*

All teachers at this school meet the professional requirements for teaching in an ACT public school. The ACT Teacher Quality Institute (TQI) specifies two main types of provision for teachers at different stages of their career, these are detailed below.

- **Full registration** is for teachers with experience working in a registered school in Australia or New Zealand who have been assessed as meeting the Proficient level of the Australian Professional Standards for Teachers.
- **Provisional registration** is for newly qualified teachers or teachers who do not have recent experience teaching in a school in Australia and New Zealand. Many teachers moving to Australia from another country apply for Provisional registration.

### *Workforce composition*

Workforce composition for the current reporting period is provided in the following table. The data is taken from the school's verified August staffing report. For reporting purposes, it incorporates all school staff including preschools, staff absent for a period of less than four consecutive weeks and staff replacing staff absent for more than four consecutive weeks. It does not include casuals and staff absent for a period of four consecutive weeks or longer.

The Education Directorate is required to report Aboriginal and Torres Strait Islander staff figures. As of June of the reporting period, 119 Aboriginal and/or Torres Strait Islander staff members were employed across the Directorate.

**Table: Workforce composition numbers**

Staff employment category	TOTAL
Teaching Staff: Full Time Equivalent Permanent	25.80
Teaching Staff: Full Time Equivalent Temporary	9.00
Non Teaching Staff: Full Time Equivalent	19.27

## School Review and Development

---

The ACT Education Directorate's Strategic Plan 2018-2021 provides the framework and strategic direction for School Improvement Plans (formerly School Strategic Plans). This is supported by the school performance and accountability framework '*People, Practice and Performance: School Improvement in Canberra Public Schools, A Framework for Performance and Accountability*'. Annually, system and school level data are used alongside the National School Improvement Tool to support targeted school improvement, high standards in student learning, innovation and best practice in ACT public schools.

Prior to 2016 all ACT public schools participated in a four-year improvement cycle. In the fourth year schools underwent an external Validation process. In 2016 this changed to a five-year cycle with a School Review at the end.

Our school was reviewed in 2018. A copy of the Report of Review can be found on our school website.

## School Satisfaction

Schools use a range of evidence to gain an understanding of the satisfaction levels of their parents and carers, staff and students. Annually in August/ September ACT schools undertake a survey to gain an understanding of school satisfaction at that time. This information is collected from staff, parents and students from year 5 and above through an online survey.

## Overall Satisfaction

In this period of reporting, 82% of parents and carers, 87% of staff, and 73% of students at this school indicated they were satisfied with the education provided by the school.

Included in the survey were 16 staff, 14 parent, and 12 student items which are described as the national opinion items. These items were approved by the then Standing Council on School Education and Early Childhood (SCSEEC) for use from 2015. The following tables show the percentage of parents and carers, students and staff who agreed with each of the national opinion items at this school.

A total of 38 staff responded to the survey. Please note that not all responders answered every question.

## Learning and Assessment

---

### Performance in Literacy and Numeracy

#### *Early years assessment*

Students in kindergarten undertake an on-entry and on-exit assessment of their early reading and numeracy skills using the Performance Indicators in Primary Schools (PIPS) program. Student results are reported against five performance bands at the end of semester 1 and 2. Below are the results for this school for the current reporting period.

**Table: Macgregor Primary School PIPS 2019 mean raw scores**

Agency	Reading start	Reading end	Mathematics start	Mathematics end
School	39	109	36	49
ACT	49	123	39	55

Source: ACT Education Directorate, Analytics and Evaluation Branch

#### *NAPLAN*

Students in years 3, 5, 7 and 9 in all ACT schools participate in the National Assessment Program-Literacy and Numeracy (NAPLAN). This program assesses skills in reading, writing, spelling, grammar and punctuation, and numeracy.

In this reporting period, 1.50 % of year 3 students and 0.00 % of year 5 students were exempt from testing based on nationally agreed criteria.

For reasons of statistical reliability, as well as to protect the privacy of students, results are not reported when the sample size is less than five.

The following table shows the mean scores achieved by students at this school compared to all other ACT public schools for this reporting period.

**Table: NAPLAN Mean Scores**

Test Domain	Year 3 School	Year 3 ACT	Year 5 School	Year 5 ACT
Reading	414	438	471	516
Writing	410	418	442	474
Spelling	391	408	472	497
Grammar & Punctuation	416	440	452	500
